Hello Mr. Miletich,

I spoke with you about the warning letter I received a while ago and we had a conference call about the issue. You had asked that I send you an email stating what my solution was going to be to remedy the things in the warning letter. I've enclosed the letter that I emailed to you a while back below. I am currently working on finding a credit card processor for our shop and they are requiring a letter from you stating that the issue with the warning letter was resolved. I sent them a copy of the letter I sent you below but they still need something from you stating the issue was resolved. Can you please shoot me something I can send them?

Thank you,
Aurelius Jeffrey

Hello,

I am writing you in regards to a warning letter we received on May 21st for our company Soul Vapor. I just spoke with your office today regarding the letter and am writing to let you know what our plan of action is. I will have our team work on having the payment gateway removed from our website, soulvaporejice.com, by the end of the week. As for the product in our vape shop, I will have the product removed from our shelves and put in it our stock room by the end of the week as well. Now that I have some clarification on the PMTA process itself I will work on filing our products with the FDA as soon as possible. I will read up on the FDA website and contact you if I have any questions. Thank you for your time during the conference call.

Sincerely,
Aurelius Jeffrey

Dear Mr. Jeffery,

On May 21, 2021, the United States Food and Drug Administration's (FDA) Center for Tobacco Products (CTP) issued Soul Vapor a Warning Letter. We would like to schedule a call with you to discuss the Warning Letter. Please provide FDA with the earliest dates and times (EST) that you could be available for this teleconference.

Sincerely,

Nick Miletich
